# XIV LOGISTICS AND TRANSPORT ANNUAL CONFERENCE

The logistics sector is a key driver of innovation and a catalyst for growth across all industries. Annual logistics and transport conferences have been held since 2012, when the first conference took place, focusing on best practices and the latest developments in supply chain management.

In 2026, the fourteenth anniversary of the conference is being marked, bringing together decision-makers from the largest FMCG, manufacturing, and logistics companies in the region, as well as technology leaders in the field of logistics equipment manufacturing.

## PREMIUM LOCATION FOR PREMIUM NETWORKING
