# XIV LOGISTICS AND TRANSPORT ANNUAL CONFERENCE

The logistics sector serves as a pivotal driver of innovation and a catalyst for growth across various industries. Annual conferences on logistics and transportation have been conducted since 2012, when the inaugural conference took place, emphasizing best practices and the latest advancements in supply chain management.

2026 signifies the fourteenth anniversary of the conference, which convenes decision-makers from the largest FMCG, manufacturing, and logistics companies in the region, alongside technology leaders in logistics equipment production.

## PREMIUM LOCATION FOR PREMIUM NETWORKING
